

NOTICE

The City of Fort Lauderdale will be issuing an invitation to bid for NE/NW 6 Street Sistrunk Blvd Enhancement Project.

The NE/NW 6 Street Sistrunk Blvd Streetscape and Enhancement Project extends along Sistrunk Blvd from Federal Highway (US1) to NW 24th Avenue (City Limit). This infrastructure, streetscape enhancement, and community redevelopment project is partially funded through Federal grants. The City of Fort Lauderdale will be advertising to receive construction bids shortly, and ONLY Florida Department of Transportation (FDOT) prequalified General Contractors shall bid on this project.

This serves as notification to prospective contractors interested in bidding on this project to apply and become a FDOT pre-qualified General Contractor in order to bid on this project. The process for pre-qualification can be found on the Florida Department of Transportation (FDOT) web site:
